OUR PROMISE TO YOU

Thank you for choosing to sponsor a child in Northern Uganda through One Step at a Time. Your commitment will make real changes to the lives of these children and will bring comfort, hope and development, not only to them, but to their families and the community.

HOW IT WORKS

Once your sponsorship has been registered, you will receive a profile of your child and written communication from them during the year. We would ask that you correspond with your sponsored child several times a year and remember them at Christmas with a small gift which may be as little as a book or pencils or an item of clothing which can be good quality second hand. We can advise you on the best things for your sponsored child should you wish to do this.

KEEPING IN TOUCH

When writing to your sponsored child for the first time we would also appreciate that you send them the following items. A photo of yourself and/or your family, 4 s.a.e. envelopes with paper inside and a couple of pens and a letter explaining a little about yourself and encouragement for the child.

This can be posted to- [Name of your child]
