By giving us your details you are agreeing to receive communications from us about the Charity, its work and fundraising events. We will NOT pass on your details without your express consent. The information that you supply us with will be treated in the strictest confidence in accordance with the Data Protection Act 1998.

We would be most grateful if you could sign the GiftAid declaration below so we can reclaim GiftAid on your membership fee and/or any money we receive from you in future:

I want the Charity to treat:

- the enclosed donation of £ _____ as a **GiftAid** donation. OR
- all donations that I make from the date of this declaration until I notify you otherwise as **GiftAid** donations. OR
- all donations I have made for the six tax years prior to the year of this declaration and all donations I make from the date of this declaration, until I notify you otherwise, as **GiftAid** donations.

In order for the Charity to claim **GiftAid** on your donations (currently an extra 28p from the government for every pound donated at no extra cost to you!) you must pay an amount of income or capital gains tax which is at least as much as the Charity can claim from your donations that year. **PLEASE** tick the box! If you are unsure whether your donations qualify, please ask the Charity. You can cancel your declaration at any time by notifying the Charity if your circumstances change.
